

Subject: Sales Tax Exemption: NORTH CAROLINA

Sales tax exemptions are not permitted at the time of sale in North Carolina. However, a request for refund of sales tax paid may be filed semiannually.

Requests for refund must be filed by the PITT TAX DEPARTMENT.

Refunds for each 6 month period can be claimed within three years of the original due date of the NC Sales Tax Refund Request form. Please contact Jonathan Lavia for more information (jlavia@cfo.pitt.edu or 412-624-3189). Please save all invoices containing NC sales tax payments, as they are required in order to claim a refund.
