

The checklist below will guide you through the Services Agreement process using Federal grant funds. [Click here](#) for the checklist for all other funding methods. Contact Purchase, Pay & Travel Customer Service [online](#) or at 412-624-3578 if you have questions.

1. Determine which office to approach and whether you need to complete a Services Agreement:

- Review the [Office of Sponsored Programs vs. Purchasing Services](#) chart. If the requested services reflect a **supplier** relationship, then proceed with the Services Agreement process as explained below. If the requested services reflect a **subrecipient** relationship, contact the [Office of Sponsored Programs](#) at 412-624-7400 or the Grant/Contract Officer assigned to your department.
 - Determine whether the Provider is an **independent contractor** or an **employee**. Do this by reviewing the worker classification instructions found [here](#), and then by completing the 20-Factor Test if applicable.
 - If the Provider is determined to be an employee - **stop here** - do not proceed with the Services Agreement process or forward the Services Agreement to the Purchasing Services department. In most cases,* you must hire the individual through [Human Resources](#).
- *Contact your [procurement specialist](#) for assistance contracting with Pitt students.
- If you did not need to take the 20-Factor Test, or if the 20-Factor Test results indicate that the Service Provider is an independent contractor, then proceed with the Services Agreement process as described below.

For Services Agreements \$10,000 or under
