University of Pittsburgh - of the Commonwealth System of Higher Education
200 S Craig St
Suite 207P, Craig Hall
Pittsburgh PA 15260

Based on the information you have furnished this office, we find that the University of Pittsburgh - of the Commonwealth System of Higher Education qualifies for exemption from Wyoming sales/use tax under W.S. 39-6-405 and 39-6-505, 1977.

This exemption extends to all purchases by the organization in or for the regular charitable functions and activities of the organization. Purchases by the organization of services and tangible personal property used to provide benefits to members or employees, such as housing, clothing, transportation, food, etc., would not be exempt the tax.

As a charitable organization, your occasional sales for fund-raising purposes are also exempt from sales tax under W.S. 39-6-405 and 39-6-505. However, if you make regular or routine sales for fund-raising purposes, such regular sales are not exempt. If such regular sales are made by your organization, you are required to obtain a Wyoming Sales/Use Tax license and file regular tax returns with this department for your sales. If you have any questions about the classification of sales made by your organization, we urge you to submit written evidence of your activities and request a ruling.

This exemption does not extend to personal purchases made by employees or members of the organization, nor to contractors who may be performing for the organization. Purchases made by employees or members of the organization with later reimbursement by the organization are subject to the tax. Copies of this letter may be furnished to your suppliers along with the properly completed Certificate of Exemption (see attached example) to support your exemption.

Sincerely,
